Web Developer

+54 9 11 3406-6644

nicoabdala722@icloud.com

## ABOUT ME

Full-stack developer with a strong emphasis on front-end development. Skilled in collaborating effectively within teams, I bring a valuable mix of independence and teamwork. I am constantly seeking new knowledge and technologies to enhance my skill set.

I embrace feedback as an opportunity for growth and continuously strive for improvement.

With adaptable problem-solving abilities, I am eager to contribute to the success of your organization.
